- **Identity: Secure in Christ-** In a world that constantly tells us we need to be more, do more, or prove our worth, what a blessing it is to know that our identity is secure in Christ! Our value is not determined by our accomplishments, the opinions of others, or even our mistakes. We are created with purpose, loved unconditionally, and known personally by God.
  - As we encourage our students to discover who they are, let's remind them that they don't have to earn their worth or seek approval from the world. When we know whose we are, we can stand confidently in who we are.
  - "See what great love the Father has lavished on us, that we should be called children of God!" — 1 John 3:1
