RENWEB FAMILY PORTAL

Get all your information in one place

GCA is proud to offer our families the FACTS Family Portal, which gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success. It is a private and secure portal that will allow parents to view academic information specific to their children while protecting their children's information from others. You can see your child's grades, attendance, homework, and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.
