Our certified and professional faculty employ best practices within a college preparatory curriculum that allows students to think critically, read comprehensively, write clearly, and present persuasively. The GCA culture provides a safe, secure and caring environment where students can explore challenging ideas, be creative, collaborate, and develop confidence, curiosity, and perseverance. Through our engaging academic curriculum, competitive athletic program, budding fine arts program, and opportunities such as STEM courses, Robotics classes and a host of other opportunities, GCA students are being prepared daily for college and beyond.
