

## High quality food, with *Simplified ordering*

We are honored and delighted to provide your lunch ordering solution for the Grace Christian Academy, Houston, Texas. The solution consists of a, child friendly, nutritious catering service, *Sami's Kitchen*, combined with a proven web-based ordering system for 2021. *LunchDirect* has been operational for over thirteen years and handled over three million lunch orders in schools across the US. The system helps improve operations, while keeping costs down.

Sami's Kitchen specializes in school lunches in the Houston area. They have been handling schools for over a decade. Their nutritious lunches help promote learning. If you have any questions regarding the food, please call Sami directly at 713-622-4677... Sami Banerjee, Sami's Kitchen.

*LunchDirect* is a simple, easy-to-use, system that allows for ordering 24 hours a day, 7 days a week. New meal calendars are published on-line each month for *standard or vegetarian* meals. The meals are value priced at just \$5.25 for elementary and \$6.65 for secondary classes; includes an entree, side, bread, sweet and drink. Prices are marked on the ordering calendar.

With *LunchDirect* ordering is...

- **Convenient:** order from any location using a web browser (24/7). Orders (including changes and deletions) can be processed up to **Friday** midnight for the following week, and later.
- **Flexible:** order from a standard or vegetarian, color coded, menu. Simply select the days you want. Sunday late orders can be processed on-line for a nominal charge.
- **Simple:** intuitive and easy-to-use; created with you in mind. We accept the most popular credit and debit cards [*Visa, Master Card, Discover, and American Express*]. You can review order history at any time on-line. Our **latest feature** allows for saving your credit card information to simplify check out.
- **Secure:** no financial data is retained: transactions are *encrypted and processed using a secure connection* through Elavon, one of the top three credit card processing companies. If you elect to save your credit card information, it is done at Elavon. *No financial data is saved at Lunch Direct.*

There is **no charge to sign up and use** the system. And, the process is *simple and quick*. We know you will be delighted with our process improvements. We just released a major update. In addition to an *updated logo*, you will notice it is more intuitive with improved navigation, performance, and support for mobile devices (iPhone). You are just a few clicks away from ordering hot, nutritious lunches; simply follow the steps on the following page.

We look forward to *servng* you and your little ones.

Sincerely,

James King
